Benefits of Learning Another Language

COGNITIVE

• Train your brain! Improve memory and attention by up to 20%.
• Increase your math skills by up to 12.5%.
• Improve your score on standardized tests by 10%!

SOCIAL

• Learn about other cultures and the world.
• Make new friends! 75% of the world does not speak English.
• Travel more easily—out of 7.2 billion people, only 339 million speak English.

CAREER

• Stand out from the crowd—only 25% of Americans speak two or more languages.
• Nine of 10 employers prefer candidates with language skills.
• Earn up to a 20% higher wage.
