Greetings!

Join us at Waldsee for immersion adventures in the German language and German-speaking cultures from Europe and around the world. From your first "Guten Morgen!" until your last "Gute Nacht!" you will build an impressive foundation of German skills and cultural knowledge by participating in small language learning groups, joining cultural and camp activities, playing games and sports, dancing, singing, cooking and most of all, having fun with friends old and new.

Why Learn German?

German is the native tongue of Europe's largest economy. More than 100 million people speak German as their first language. It is the most translated language for written works, the second language of the internet, and the third most popular foreign language taught worldwide.

Special Programs

Waldsee offers summer youth programs, such as one- or two-week programs or a four-week high school credit program. Other programs include family weeks or weekends, adult weeks, day camps, specialized adventure programs, an apprentice program, a STEM skills program and more.

Life at Waldsee

Life at Waldsee is infused with German. Counselors from the United States and German-speaking countries engage with villagers and share experiences using vocabulary, repetition, and actions to increase understanding and retention.

Fantastic German Food

Try fabulous food such as Raclette and Fondue, sip an espresso, sample Rivella, or try our homemade gelato at the Café. Our talented chefs prepare all of our foods and bake all of our breads and pastries from scratch.

Camp Activities Can Include:

- Swimming
- Biking
- Low Ropes
- Cooking
- Dancing
- Theater
- Archery
- Soccer
- Crafts
- Giant Chess
- Field Games
- Fencing
- Canoeing
- Pottery

All activities conducted in German!

Visit our website for more information:

We bring the world to you

Village location

Waldsee is a culturally and architecturally authentic site, surrounded by the North Woods on Turtle River Lake near Bemidji, Minn.

Every day is like a new adventure abroad.

Participants become “villagers” and live in the language and culture from the moment they wake up to the close of the day.

A different kind of camp,
an unforgettable adventure!

Contact us

Visit us online for more information about additional language programs for youth, families, adults and educators.
