Greetings!

At El Lago del Bosque you'll be immersed in the sights, sounds, tastes and experiences of the Spanish-speaking world. Villagers enjoy not only the camp experience, but also an introduction to the cultures of Spanish-speaking societies around the world. Surrounded by dedicated counselors who are devoted to helping you understand the language and customs from your first hola (hello) until your final adiós (goodbye) you'll amaze yourself with how much you can learn.

¡Saludos!

Fantastic Food From the Spanish-Speaking World

Just like our curriculum, the meals are deeply rooted in our affirmation of diversity. Every year, our talented chefs introduce favorite ethnic dishes from cultures spanning the broadly diverse Spanish-speaking world.

Life at El Lago del Bosque

At El Lago del Bosque, we focus on many different Spanish-speaking countries by learning about the food, music, art, history, geography and people who live there. Learning has never been more fun!
WE BRING THE WORLD TO YOU

Every day is like a new adventure abroad

Participants become "villagers" and live in the language and culture from the moment they wake up to the close of the day.
