Cross-cultural competence is a critical skill in today's healthcare system. An internship at Concordia Language Villages offers health majors (nursing, pre-med, social work etc.) an opportunity to learn cultural competency by living and working in a cultural and language immersion environment. Come expand your global network while helping us create the next generation of courageous global citizens!

**PROGRAM OVERVIEW**

- 6-week paid internship ($375/wk plus room and board)
- 1-week paid training at Summer Staff Orientation and 5-weeks at the: French, German, Spanish, Chinese, Japanese, Russian, Norwegian or Italian village
- Two 6-week session options in Summer 2023: Session 1: June 3 - July 15; Session 2: July 8 - Aug 19

**SUMMER STAFF ORIENTATION**

One week of staff training will introduce you to the Concordia Language Village ways and traditions while incorporating the following training:

- Global citizenship and language learning skills and Cultural Intelligence workshops
- Cross-cultural healthcare/communications/global health
- Diversity, inclusion and LGBTQI training
- Medication management
- Mental, emotional and social health and neurodiversity training
- After completing this week, interns will be eligible for the following certifications: CPR/First Aid, Youth Mental Health First Aid, Wilderness First Aid

**VILLAGE LIFE**

Interns will spend 5 weeks working alongside a RN, MD and/or an acupuncturist. Specific clinical practice opportunities include:

- Care for a pediatric, adolescent and adult population
- Medication administration
- Mental, emotional, and social health care
- Integrative and culturally-sensitive approaches to care
- Plus - tons of opportunities to practice or learn new languages, experience culturally-authentic meals and activities, connect with a diverse and international staff

**INTERNSHIP SPECIFICS**

Along with Village opportunities, interns will participate in weekly cross-cultural health seminars and will collaborate on two exciting projects exploring UN Development goals and creating more culturally authentic Village health centers.

**INTERNSHIP HIRING SCHEDULE**

- December: Applications open
- January: Interviews begin and extend on a rolling basis
- April: Virtual staff onboarding begins
- May-June: Virtual orientation and training opportunities begin
