5. Carrying on a Conversation

Journal your own experiences, including the date, where you were, with whom you spoke and what you expressed.

1. I can exchange greetings/forewords.

2. I can participate in a short conversation on very familiar topics.

3. I can carry on a conversation on a variety of topics that are familiar to me.

4. I can initiate and maintain a conversation with ease and confidence on a variety of topics.

5. I can sustain a conversation on a wide variety of topics and appropriately handle an unexpected event or complication.
