**The Hometown Times**

**Founded 2003**

The media is a division of the Hometown News Corporation independently owned and operated by the Hometown staff (Archie, Lucy, Marv, Roger, Sally, Sammy, Elmer, Minny, Kevin, Pete, Austin, Vern, Billy, Robot, and Yeti) under strict supervision of Chuck, the Hometown Guru. We print all the news fit to print and even some random stuff we just simply make up. We reserve the right to be right or wrong, perhaps even a bit Left. If you disagree with our journalistic integrity, flush your head in the toilet and write us with your own opinions. We reserve the right to print what we please, when we please, and how we please. Bribes help. Deliver all letters to the editor to the Media, care of Hometown Europe at the Gotham City Institute of Technology. We do not endorse anything or anyone unless they pay us a heap of Homie. The Media can be bought but not sold. Marty isn't really dead. Minny killed the Baron in the Library with the candlestick. Yeti and Robot live in a cave together at the top of the mountain. The boys on Beale Street like to sing and act out famous show tunes.

## The Italian Conspiracy?

Mayor Kevin, Treasurer Frank, Judge Luke, and Sheriff Brian are all Italian.

Two of them, Kevin and Brian, were involved in Hometown's mafia last year.

By Mandy and Rachael

After election there are only Italian people in the city council of Hometown: our mayor is Kevin, our treasurer is Frank, the sheriff is Brian and the judge is Luke. But why are they only Italian? Maybe it's because the Mafia of the last year purchased the favour of Chuck. We think the ballot should be open to the public. If the Mafia is behind these people getting elected, everyone in Hometown loses. We need legitimate election control. We also question the ability of the mayor to do his job. If he cannot speak English, he cannot run Hometown. Perhaps he should hire an English coach to follow him around and force him to speak English all day.
