The Hometown Times

Founded 2003

The media is a nuclear subdivision of the Hometown News Corporation independently owned and operated by the Hometown crazies (Archie, Lucy, Marv, Roger, Sally, Sammy, Elmer, Minny, Freddy, Pete, Austin, John, Billy, Robot, and Yeti) under strict supervision of Chuck, the Hometown Jedi Master. We print fair and unablanced news and even some random stuff Marv makes up. We reserve the right to be right and/or wrong, perhaps even a bit Left. If you disagree with our journalistic integrity, pull out your toenails and write us with your own opinions. We reserve the right to print what we please, when we please, and how we please. If you don't like it, start up your own media. Deliver all letters to the editor to the Media located in the Gotham City Institute of Technology. Normally we don't accept anonymous letters, but if they come from people close to the Mayor, how can we refuse? We do not endorse anything or anyone unless they sing and dance to the Beal Street theme song. Watch out for gonzo robots filming in Leysin.

City Council Member Lashes Out at Mayor

Mayor, Kevin, don't know how to do his job. During Hometown, he only spends time telling jokes, walking around Hometown doing nothing, besides speaking Italian (he doesn't know how to speak English). His speeches, which the public hear, are written by other members of the City Council, like Matthew and Amy. The reason Kevin became the Mayor was to have fun, not to help build Hometown. Since being elected Mayor, Kevin has only done one constructive thing, an interview with the Media.

As you all heard this Tuesday, Kevin is incapable of making his own speeches, let alone speak in

English. Without the other members of the City Council the Mayor would be sitting around being just a "pretty face", which he insists he is not.

In the first newspaper Steve said: "I am not unhappy about loosing the election for treasurer, I am unhappy because Kevin became the Mayor." This shows the reality very well as it is. Currently Matthew and Frank are working very hard to keep the City Council, and Hometown, running.

Perhaps Hometown and its citizens – that would be you – would be better off with a new Mayor, or if Matthew had won in the first place.

Ex-Land Lord Speaks Out on Battle for Hometown

By Bob, ex-landlord

The city council is running a secret war against the chamber of commerce. Landlords beware! The city council is very angry at the landlords, because the landlords are earning hundreds of homey each day for renting out there land, which they have been granted for free. Also the fine arts council can not afford to pay rent because the City Council can not afford to give them any more money. The city council was

supposed to receive money from the taxes, but they haven't decided the price of tax yet. Probably it will take many days to decide because the city council hasn't got any time to make a contract for renting their room, so right now, they are renting their room for free and that is absolutely not fair for the landlords. The 10 point question is when the City Council will make the tax so they can give the fine arts money, so they can pay their rent.
